## YOUR LOVE TAKES ME HIGHER

Baby, well let me tell you something about love  
Let me tell you that I've had enough  
I've had enough of your playing away  
And that I've only got one thing to say

Only your love takes me higher  
It's the kind of love that leaves me burning with desire  
If you think of me, if you care  
Stop your fooling round because it's going nowhere

Baby, well let me tell you the one thing that's true  
I've got to try til I get through to you  
I've had enough of your playing away  
And now I've only got one thing to say

Only your love takes me higher  
It's the kind of love that leaves me burning with desire  
If you think of me, if you care  
Stop your fooling round because it's going nowhere  
Ask me I will recommend  
Something that will surely put your troubles at an end  
All this heartache's more than I can bear  
It's still going nowhere, nowhere, nowhere

## TIME AFTER TIME

I'm much too headstrong for my own good  
I'm too involved to realise  
That your uncertainty  
Will be the death of me  
But I lose my will, and if looks could kill  
I've been struck down dead by your beautiful eyes

Time after time  
You challenge me for a reason  
I know that I'm  
Impossible and deceiving  
I've seen the signs  
You're telling me that you're leaving  
Time after time  
Time after time

These games of politics and romance  
They're quite impossible to win  
I can't unfathom you  
One minute you love me or you say you do  
And then I turn my back, I'm under attack  
I turn to hold you and you stick the knife in

Time after time  
You challenge me for a reason  
I know that I'm  
Impossible and deceiving  
I've seen the signs  
You're telling me that you're leaving  
Time after time  
Time after time

And if I changed to be the way you say you want me  
I'd only be the way I've always wanted to  
You know as well as I do  
You know as well as I do

Time after time  
You challenge me for a reason  
I know that I'm  
Impossible and deceiving  
I've seen the signs  
You're telling me that you're leaving  
Time after time  
Time after time

Time after time  
You challenge me for a reason  
I know that I'm  
Impossible and deceiving  
I've seen the signs  
You're telling me that you're leaving  
Time after time  
Oh, well i still love you

Time after time  
I love you  
Time after time  
You know, you know, I still love you  
Time after time  
Oh, I love you  
Time after time after time after time after time

## SCARLET BEAUTIFUL

Scarlet Beautiful  
With your eyes of blue  
Got to tell you that  
I'm in love with you  
My angel, innocent, saint  
Innocent? maybe  
But angel you ain't, no

Oh, it just gets better each time

Well, Scarlet Beautiful  
My guiding light  
Invisible  
On a cloudless night  
One kiss and you're in for the kill  
Oh, just hold me  
Do what you will

I know, it just gets better each time  
Oh, it just gets better each time

Oh, it's just love, love, love, love, love  
It makes you smile, it makes you strong  
Just love, love, love, love, love  
Feels so good it can't be wrong  
It's just love, love, love, love, love  
Holding on

Scarlet Beautiful

Heaven can wait  
I can feel it  
Oh, it feels great  
See the stars explode as they cross the sky  
It's beautiful  
We kiss goodbye

Oh, it just gets better each time  
Oh, it just gets better each time

Yeah, must be love, love, love, love, love  
It makes you smile, it makes you strong  
Love, love, love, love, love  
Oh, feels so good it can't be wrong  
Love, love, love, love, love  
Twice as nice, oh twice as long  
It's just love, love, love, love, love  
Holding on

(Come closer, take a ride)

Love, love, love, love, love  
Love, love, love, love, love

Oh it's just love, love, love, love, love  
It makes you smile, it makes you strong  
Love, love, love, love, love  
Feels so good it can't be wrong  
Love, love, love, love, love  
Twice as nice, oh twice as long  
Just love, love, love, love, love  
It's holding on

Sweet love  
Sweet love, yeah

Oh, it's beautiful!

## THE SUN RISING

Movement outside  
Silence inside  
Restless lover  
Spread your wings  
As the day begins

It's just the sun rising  
It's just the sun rising  
It's shining  
It's just the sun rising  
It's just the sun rising

Learn to love your secret life  
Still, calm, and gentle night  
Your resolution comes too fast  
Now the night is passed

It's just the sun rising  
It's just the sun rising  
It's shining  
It's just the sun rising  
It's just the sun rising

Smiling, gliding  
Breathless, you're riding  
Love is just a state of mind  
That we leave behind

It's just the sun rising  
It's just the sun rising  
Oh it's shining  
It's just the sun rising  
It's just the sun rising

Let yourself go

It's just the sun rising  
It's just the sun rising  
It's shining  
It's just the sun rising  
It's just the sun rising  
It's shining

It's just the sun rising  
It's just the sun rising  
It's shining  
It's just the sun rising  
Sun rising

Love, love, love, love, love

## I LOVE YOU MORE

There's something I just can't describe  
Something controlling me deep inside  
Whenever I start to feel this way  
I just can't think of the words to say

Every now and again when I'm feeling sad  
I think of you and it makes me  
Glad all over, glad as can be  
That's when I remember just what you mean to me

I love you more  
Than you could know  
It's just sometimes  
It doesn't show  
I love you more  
Than you could know  
It's just sometimes  
It doesn't show

Oh but don't play  
Don't play  
Don't you play with my heart this way  
And don't say  
Don't say that you  
Feel any other way

There's times when I can't get to sleep at night  
And that's when I wish I could hold you tight  
But if you were here right now with me  
I'd tell you for sure what you mean to me

I love you more  
Than you could know  
It's just sometimes  
It doesn't show  
I love you more  
Than you could know  
It's just sometimes  
It doesn't show

Oh but don't play  
Don't play  
Don't you play with my heart this way  
And don't say  
Don't you say that you  
Feel any other way

(I love you)

Oh I love you more  
Than you could know  
It's just sometimes  
It doesn't show  
I love you more  
Than you could know  
It's just sometimes  
It doesn't show

I love you more  
Than you could know  
It's just sometimes  
It doesn't show  
I love you more  
Than you could know  
It's just sometimes  
It doesn't show

## WAKE UP SOON

David  
Oh, shouldn't do that  
And maybe  
Well, as a matter of fact  
Gotta have responsibilities  
And try your very best to please  
The wolves at your back

Don't go telling me  
That everything must have a reason  
(Because you're wrong, yes you're wrong,  
Yes you're wrong, wrong, wrong)  
There's a whole world out there waiting for you  
If you'll just stop dreaming  
Wake up soon

Now Jimmy,  
Oh come on, listen to me good  
Because life don't come so easy  
Who told you that it would?  
Oh, so many people tell you what to do  
And you believe them, that's the trouble with you  
Just think for yourself

And don't go telling me  
That everything must have a reason  
(Because you're wrong, yes you're wrong,  
Yes you're wrong, wrong, wrong)  
There's a whole world out there waiting for you  
If you'll just stop dreaming  
(You better wake up soon  
You better just start thinking)

No, don't go telling me  
That everything must have a reason  
(Because you're wrong, yes you're wrong,  
Yes you're wrong, wrong, wrong)  
Take your head out of the clouds  
Find something to believe in  
Gotta wake up soon boy

Well pretty soon, pretty soon  
You've gotta learn your right from wrong  
Oh, every day, every night  
Well come on  
Learn to be strong

(Well you're wrong, yes you're wrong,  
Yes you're wrong, wrong, wrong)

(You better wake up soon  
You better just start thinking)

So don't go telling me  
That everything must have a reason  
(Because you're wrong, yes you're wrong,  
Yes you're wrong, wrong, wrong)  
There's a whole world out there waiting for you  
If you'll just stop dreaming  
(You better wake up soon  
You better just start thinking)

No, don't go telling me  
That everything must have a reason  
(Because you're wrong, yes you're wrong,  
Yes you're wrong, wrong, wrong)  
Take your head out of the clouds  
Find something to believe in

Gotta wake up soon boy

Wake up soon  
Gotta wake up soon boy

Yeah wake up soon  
Better wake up soon boy  
Come on, wake up, wake up!

## UP UP & AWAY

Step inside  
For some more of  
What you're missing or  
Just unsure of  
Say goodbye  
To those dull days  
Inspiration will  
Take you more ways

Up, up and away  
Hello new day!

Oh, you're gonna feel so crazy  
You're gonna touch the sky  
You never felt so hazy  
You've never been this high  
Just look around you  
Well it ain't no lie  
H.A.P.P.Y.

Come back down  
From your grey cloud  
Feel born again  
Say it out loud  
Don't you know  
Hope can be found?  
Take your foot out your mouth  
Come back down

Up, up and away  
Hello new day!

Oh, you're gonna feel so crazy  
You're gonna touch the sky  
You never felt so hazy  
You've never been this high  
Just look around you  
Well it ain't no lie

H.A.P.P.Y.

Give the world a message  
That the word is "yes"  
It's quite impressive  
It's real fresh!  
A little understanding  
Is the reason why  
H.A.P.P.Y.

Up, up and away  
Up, up and away  
Hello new day!

Yeah, you're gonna feel so crazy  
You're gonna touch the sky  
You never felt so hazy  
You've never been this high  
Just look around you  
Well it ain't no lie  
H.A.P.P.Y.

Give the world a message  
That the word is "yes"  
It's quite impressive  
It's real fresh!  
A little understanding  
Is the reason why  
H.A.P.P.Y.

Up, up and away  
Up, up and away  
Up, up and away  
Up, up and away

Well what we need in this world  
Is some love and harmony  
Banish all those bad thoughts, Baby  
Let your spirit free

Release it!  
Your spirit!  
Let's go!

FOUND

Well tell me one thing  
Is there madness in this reason?  
And tell me something  
That I never knew before  
The consequences of my actions  
Aren't confusing  
They're just wanting the direction  
That I've never had before

I was happy  
Now I'm walking on the water  
I was laughing  
Now I'm floating in the air  
Cos I found you

These gut reactions  
Are the best thing you can go by  
Premonitions are the second  
That's for sure  
I'm caught by your eyes  
They just surprised me  
Overpowered me  
I stand here waiting  
In the calm before the storm

I'm delirious  
As happy as you're crazy  
It's nothing serious  
Or difficult to cure  
Cos I found you

Your smile is like the ocean  
Your kiss the seven seas  
Your eyes like magic potions  
They just enrapture me  
I promise my affection  
For all eternity  
You are my resurrection  
You mean the world to me

Wolf Studios Tracks not on already on Happiness

JACKIE (WON'T YOU PLEASE COME HOME?)

It's said love is a good thing  
That's something everyone should know  
And you can't have too much of a good thing  
So don't you let it go  
And I know this warm, tender feeling  
Deep inside of me  
Is the real thing, and so

Tell me why  
Jackie, won't you please come home?

For so many days now  
I've been feeling down, down, down, down, down  
And I need the smile on your face now  
To lift me up and turn me around  
I can't believe you'll ever find another person  
Who'll give you the happiness that we found

Tell me why  
Jackie, won't you please come home?  
Jackie, won't you please come home?  
Jackie, won't you please come home?  
Jackie, come home

Ten days have gone past  
Since I spoke to you last  
And I know you're not going to return  
There's no letters, no phone call  
No knock on my door  
Have you no concern?  
But my mind keeps asking me questions  
Well, I suppose I'm just never gonna learn

Why, why, why, why?  
Jackie, won't you please come home?  
Jackie, won't you please come home?  
Jackie, won't you please come home?  
Jackie, come home

## SALLY

Sally was a sweet girl  
But you never can tell  
And now she's like a stranger  
I used to know her so well  
I won't make excuses

For the way things are  
Sometimes it's better to be silent

Consider this situation  
And tell me what you'd do  
If you were in my shoes  
Not that I'd wish it upon you  
I made just the one mistake  
And yet the price I pay  
Sitting all alone here  
Thinking of the words I heard her say

[She said]  
Some people never change  
And you'll always be this way

You don't know  
What you put me through  
And despite myself  
You know I still love you  
But sometimes love  
Isn't quite enough  
And loving you  
Has hurt me oh too much

[But I said]  
I know that I can change  
[And she said]  
Oh no, you won't ever change

And that was the end of that  
Well what could I say?  
She made her mind up  
Packed her bags and went on her way  
I could feel sorry for myself  
I could be sad  
But that won't make my Sally come back  
And I just feel bad

[Like when she said]  
Some people never change  
You'll always be this way

You don't know  
What you put me through  
And despite myself  
You know I still love you  
Sometimes love

Isn't quite enough  
And loving you  
Has hurt me all too much

[ I said]  
Oh I know that I can change  
[And she said]  
Oh no, you won't ever change

You don't know  
What you put me through  
And despite myself  
You know I still love you  
But sometimes love  
Isn't quite enough  
And loving you  
Has hurt me oh too much  
You don't know  
What you put me through  
And despite myself  
You know I still love you  
Sometimes love  
Isn't quite enough  
And loving you  
Has hurt me oh too much

## **MY HEART'S DESIRE**

What would you say  
If I said to you  
I'm in love with you?  
Well would you repay  
Me in kind or would  
You politely say  
I don't love you?

And I would do anything for you  
You are my heart's desire  
Anything that you ask me to  
To ignite the fire  
Oh I would do anything for you  
You are my heart's desire  
Anything that you ask me to  
To ignite the fire  
Of my heart's desire

But if I must prove

That my feelings are  
Neither trite or untrue  
Well what should I do?  
It's no easy game  
Getting through to you  
Oh, but I will persevere until  
My heart's desire  
Says that she will

And I would do anything for you  
You are my heart's desire  
Anything that you ask me to  
To ignite the fire  
Oh I would do anything for you  
You are my heart's desire  
Anything that you ask me to  
To ignite the fire  
Of my heart's desire

Oh I would do anything for you  
You are my heart's desire  
Anything that you ask me to  
To ignite the fire  
I would do anything for you  
You are my heart's desire  
Anything that you ask me to  
To ignite the fire  
Of my heart's desire

## ACID LOVE

When I first met you  
I knew you were the only one for me  
Now it feels so fine  
And I know that you are mine  
I've set you free  
I feel love coming down  
Deep inside  
And from above  
You & me girl  
Oh it feels like ecstasy  
This acid love  
Acid love

Acid love

Now's the time  
I will take you deep inside  
To where I've been  
Shut your eyes  
Open your mind  
Let your body ride  
Into the dream  
Of acid love  
Acid love  
Acid love

Ecstasy  
It feels like ecstasy

Into the dream

Paradise

Angel come with me  
To this fantasy  
You will see the light  
As it shines so bright

The understanding that's in your eyes  
Is paradise

## JENNIFER SMILES

Jennifer smiles when she wants to  
Like a character she once new  
Somebody called her a stranger  
But she knows that it's just not true  
And some things that seem to amuse her  
Are just a little bit crazy but that's ok  
Because when Jennifer smiles  
The whole world smiles  
And when the whole world smiles it makes a much brighter day

She is the one who made the sun  
She is the fun in everyone  
She is the love that's in the air  
She is the love that's everywhere

Jennifer smiles in her own way  
But it's easy to understand  
One look at her and your laughing  
She'll smile and she'll take your hand  
Well there's good and there's bad  
And completely mad  
But she can show you the truth  
And it won't feel bad

Everything Changes  
Stop Talking And Smile  
(and) You'll Identify Something  
So Beautiful

She is the one who made the sun  
She is the fun in everyone  
She is the love that's in the air  
She is the love that's everywhere  
She is the light that's in the sky  
She is the sparkle in your eye  
She is the one who made the sun  
She is the fun in everyone

Everything Changes

Stop Talking And Smile  
(and) You'll Identify Something  
So Beautiful

She is the one who made the sun  
She is the fun in everyone  
She is the love that's in the air  
She is the love that's everywhere  
She is the light that's in the sky  
She is the sparkle in your eye  
She is the one who made the sun  
She is the fun in everyone

Jennifer Smiles
